

Fineline **CARTRIDGE PEN FILLING INSTRUCTIONS**

- 1** PULL cap off pen.
- 2** GRIP black point holder (between chrome band and pen point). UNSCREW barrel.
- 3** DROP Skrip refill into barrel, YELLOW END FIRST.
- 4** GRIP black point holder (as in Step 2) and replace barrel by SCREWING ON tightly.
- 5** The FIRST time pen is filled it may be necessary to unscrew barrel and squeeze cartridge gently to start ink flow.
- 6** Ink supply is always visible. To check it, simply remove barrel carefully. To REFILL, merely replace used cartridge.

UNCONDITIONALLY GUARANTEED against defective parts or workmanship for one year from date of purchase, subject to factory inspection.
